Supported by:

## **Karnataka Kalasri Pustakam Ramaa (P. Ramaa)**

**Founder Director - Sangeetha Sambhrama**

Sangeetha Sambhrama, the name itself identifies with music and ecstasy. Sangeetha Sambhrama is an institution which believes in promoting and spreading the knowledge of Indian culture among the youth. It works towards providing a platform to the budding artists to showcase their talent in different forms of music and dance by conducting competitions, organising festivals, performances during Thyagaraja Aradhana and by teaching music. The institution has also felicitated many renowned artists in different fields of art over the last decade.

P. Ramaa had childhood inclination for music. Being in such an ambience, her Aunt Smt. M. K. Saraswati, an acknowledged Vainika, initiated Ramaa to music. Later she received training from T. R. Srinivasan a senior vocalist. Ramaa's unchallenged supremacy in music was amply acknowledged in every competition she participated right from her school days. She was a marked winner wherever she performed. With this proven record of achievements, Ramaa chose to take up her academic pursuit in music. She completed her Masters degree in music with distinction from the Mysore University. Ramaa received her advanced training from Smt. Nagamani Srinath and also from Sri. R. K. Srikantan. With a rich input of resources, personal experience, with a blend of dedicated devotion has made P. Ramaa a phenomenon to reckon in the musical topography of Karnataka.

Ramaa's rich mellifluous voice with the effortless reach through the Octaves has charismatic blend of unique melody, depth of understanding and a soul stirring appeal to the listeners. Diction, devotion and clarity make her concerts a spiritual experience as her renderings are not for entertainment but for enlightenment. Connoisseurs and art critics have inferred that life without music would have been an error. Ramaa will manifest this fact by rendering of Haridasaa compositions.

All India Radio, a national acknowledged professional organisation has placed Ramaa in 'A' Group in classical vocal, 'A' Grade in rendering of devotional music and 'A' Grade in light music rendition. A unique distinction for an artist denoting the professional versatility and supremacy in the field. Enacting and rendering of Kannada poetic classics is yet another dimension of Ramaa's histrionic caliber. Thus her rendition for dance performance has a unique touch of personified bhava, endearing her to the dancers. She has given vocal support to famous dancers like Hema Malini, Vasundhara Doraiswamy, Pratibha Prahlad, Swapna Sundari, Deepak Mazumdar and Gracy Singh.

P. Ramaa's intuitive excellence in concert with a vibrant professionalism, admirable approach enriched with devotion and dedication has carved out an artist with an artist of exception.

**All are  
Welcome**
